Spring 1 & 2 - Year 4 - Living in the wider world

## PSHE Knowledge Organiser

### Key Vocabulary

Community	A group of people living or having the same characteristics.
Support	Giving assistance.
Responsibilities	Having a duty to deal with something or having control over someone or groups of people.
Digital footprint	The information about a particular person on the internet.
Balance	When something is equal and fair.

### Different ways to pay:

- Cash
- Debit cards
- Credit cards
- Cheques
- e-payments

How we spend our money can have a positive or negative effect. Giving money can be positive. Buying single use plastic can be negative.

### Sticky Knowledge

Substantive (what key knowledge are we going to learn?)

#### Sharing and Using Data

- When we post online we leave a digital footprint.
- We need to make sure we do not share any personal information online.
- You can use a search engine to find information online which gives the most popular searches.
- Information that we share, websites we visit or searches we make may be used to show adverbs of things we may like to buy.

#### Money and work

- When we have money we can keep it in a bank account.
- We can plan how we spend our money which is called budgeting.
- We can prioritise your money into what we need and want.
- Checking your bank balance helps keep track of money.

Disciplinary (how are we going to achieve this?)

- Accurately search using a search engine.
- Understand a digital footprint.
- Prioritise money into wants and needs.
- Plan accurately for spending money.
- Know how to support communities.
- Identify how to volunteer in communities.

#### Belonging to a community

- We all belong to different communities.
- We belong to our school community but can also belong to other communities such as faith groups or clubs.
- People can help and support others in communities.
- Sometimes people volunteer their time to help in the community.
- Some people may have jobs that support the community such as health care, education and caring for animals..
- Working together in a community helps care for others.
- We can make a difference in the way we treat others and need to think about the responsibilities for caring for them.
